

# **Behind the Wheel Training Standards**

## **Driver Education**

### **Rising Sun High School**

#### **Day One-**

*Student Drivers will work on starting, stopping, shifting, steering, backing, school zones, signaling and lane positioning.*

#### **Day Two-**

*Student Drivers will work on lane positioning, signaling, school zones, lane changing, merging, speed zones, intersections, dual lanes and multi-lanes.*

#### **Day Three-**

*Work on managing the space around the vehicle by adjusting speed to separate hazards, distracting driving, and general driving behavior.*

#### **Day Four-**

*Work on sharing the road with other vehicles, bikes, motorcycles, and railroad crossings.*

#### **Day Five-**

*Work on right of way at intersections, backing, lane positioning, distracted driving and general driving behavior.*

#### **Day Six-**

*Work on backing, parallel parking, signaling, shifting, school zones and general driving behavior.*
